Dear Stakeholders

Consultation letter to lower the school age

Following a positive response to our market research with our families and local community, the Governors of St Anne's and St Joseph's RC Primary School are now consulting to set up a nursery provision within the school. St Anne's and St Joseph's RC Primary School is currently a 4-11 year school with 152 pupils currently on roll.

Our proposal is to provide nursery provision for 3&4 year olds from January 2024 by formally lowering our school age range to 3-11 years. The proposed provision will be run as part of the school, using its Ofsted number and children attending the provision will be classed as pupils of the school. The provision will be a mixed class with reception children.

We intend to offer a morning or afternoon session to mirror the school day. The nursery will be based in our Acorns classroom (reception class). The provision will be overseen by our Early Years teacher (Miss Kidd) and will be staffed by current staff members within school.

The proposal is to create 25 nursery places.

This consultation period will close on Sunday 29th October 2023 so please feel free to contact school before this point should you have any comments or require any further information.

Many thanks

Mrs Sinead Colbeck
Interim Executive Headteacher
